Biddenden Squash Club
24 Hour Sponsored
Squash Marathon
3rd – 4th September 2010

Biddenden Squash Club is supporting the charity 'Help for Heroes' by holding a 24 hour fund raising Squash Marathon.

There will be a number of squash competitions and events during the 24 hours. Opening the event on Friday evening at 6pm will be an England Professional Player; there will be a doubles tournament, junior competition and a team tournament. Taking part will be teams from Biddenden Squash Club both juniors and seniors, The Army and Kent Select Junior Team.

The main objective is to raise as much as possible for Help for Heroes by keeping a squash ball moving on court continuously for the whole 24 hours, yes all night too! Come and join us in raising money for our soldiers and show them how much we appreciate them.
